

# Texas Risk and Authorization Management Program Certification

The information below is provided as a companion to the TX-RAMP Certification.

## Cloud Service Name

Hyperview : Hyperview

## Cloud Service Provider URL

<https://www.hyperviewhq.com/tools-and-features/>

## Cloud Service Description (200 words or less)

Hyperview's easy-to-use, cloud-based digital infrastructure management application empowers enterprises to optimize capacity, reduce power and energy consumption, lower costs, and avoid outages. Hyperview automatically discovers all network-connected assets and creates a digital twin for each. These are then fed continuous data and monitored for impact and changes. Features include Asset Management, Energy Management, Power and Environmental Monitoring, Capacity Planning and 3D Visualization.
